### **Hidden costs**

- For locations far outside Bloemfontein add R3.00 per km and R100 per hour traveling time. Must be paid before the photographer departs from Bloemfontein.
- Outside of Bloemfontein, overnight accommodation for the photographer at a respectable hotel or guest house must be booked and paid for in advance if accommodation is needed.
- Postage or courier costs if the photographs / CD /DVD/ photobook cannot be collected.

Please note: A camera does not take a great picture any more than a typewriter writes a great novel. It is the skills of the photographer that ensures excellent photographs and not the quality of their equipment. Do not entrust those precious memories which can not be re-taken at a later stage to anyone. Always find out if your chosen photographer has at least two cameras, together with two off-camera flashes and a back-up of all major pieces of equipment. Ask to see all the photos from one complete wedding. Most photographers only show an album of their best photos, but the rest of the photos could be below average. Use a professional photographer at least for the formal photographs.
